

Terms of Service

Last updated: May 8, 2026

These Terms of Service ("Terms") govern your use of Whats For Dinner ("the app", "we", "us", or "our"). By using the app, you agree to these Terms.

What The App Does

Whats For Dinner helps users discover nearby restaurants, narrow options based on preferences, pick dinner options, share voting links with friends, save favorites, get directions, and open restaurant review pages.

The app is a decision-support tool. It does not operate restaurants, guarantee restaurant quality, guarantee availability, or control third-party restaurant information.

Restaurant Data

Restaurant names, addresses, ratings, hours, websites, maps links, review links, and other place information may come from third-party services such as Google Places or Google Maps.

This information may be incomplete, delayed, inaccurate, or unavailable. You should confirm important details directly with the restaurant before relying on them.

Directions And Reviews

The app may open third-party map, direction, website, or review pages. These services are controlled by third parties and are subject to their own terms and policies.

The app does not write, submit, or prefill reviews for you. Any review you leave is your own content and responsibility.

Voting Features

The app may let you create dinner vote sessions and share links with friends. You are responsible for the links you share and the people you invite.

Vote results are provided for convenience and may depend on network availability, third-party services, and recipient participation.

Free, Paid, And Rewarded Features

The app may offer free, ad-supported, Plus, Premium, subscription, trial, promotional, or rewarded-ad features.

Feature limits, pricing, rewards, and availability may change over time. Any paid subscriptions or in-app purchases are handled by the applicable app store and are subject to that store's payment, renewal, cancellation, and refund rules.

Rewarded actions, such as watching an ad for extra usage, may fail or be unavailable. Rewards are granted only when the app confirms eligibility and completion.

Acceptable Use

You agree not to:

- Use the app for illegal, abusive, deceptive, or harmful activity.
- Attempt to bypass usage limits, subscription checks, reward checks, or security controls.
- Interfere with app services, backend systems, or third-party APIs.
- Use vote links to harass, spam, or mislead others.
- Reverse engineer or misuse the app except where allowed by law.

Accounts And Local Identity

The app may work without a traditional account. It may use local device identity or app-generated identifiers to support preferences, rewards, voting, review prompts, usage limits, and analytics.

If future account features are added, additional account terms may apply.

Privacy

Your use of the app is also governed by our Privacy Policy.

Availability

We may change, suspend, or discontinue any part of the app at any time. The app may be unavailable due to maintenance, third-party outages, network issues, or technical problems.

No Professional Advice

The app does not provide food safety, allergy, health, dietary, legal, financial, or professional advice. Use your own judgment and confirm restaurant details that matter to you.

Limitation Of Liability

To the maximum extent permitted by law, Whats For Dinner and its operators are not liable for indirect, incidental, special, consequential, exemplary, or punitive damages, or for lost profits, lost data, restaurant issues, third-party service failures, or decisions made using the app.

Disclaimer

The app is provided "as is" and "as available" without warranties of any kind, whether express or implied.

Changes To These Terms

We may update these Terms from time to time. Updates will be posted with a new "Last updated" date. Continued use of the app after changes means you accept the updated Terms.
